ATMA NIRMABHAR,
PARIVARTAN PUSTAKALAYA.**

VIDYA DAKSHNA:

Under the program, students from underprivileged families are provided financial aid to help them pursue their education. The program covers students from primary and secondary school, graduation, post-graduation and vocational courses.

AROGYAM:

Under AROGYAM project, we lend a helping hand to economically weaker section of the society in need of medical treatment. The aid is in form of direct support, referral to hospitals/Medical Centres providing treatment/medicines at subsidised rates.

ANNAPURNA:

The trust also takes up social cause helping poor and needy. During the unprecedented crisis of COVID-19 pandemic, MEET INDIA FOUNDATION helped the needy families who suffered acute financial difficulty by distributing food-grain kits free-of-cost to more than 1000 families. The ANNAPURNA scheme is currently operational benefitting selected poor families and deserving senior citizens.

SWANIRABHAR:

Under this unique project, we encourage people to start their own small business such as fruit-vendor, tailoring, beautician, food stall etc. by providing them financial support. There have been cases where with our small financial help and support, differently-able people, widow have become self-sufficient and are earning livelihood for their families.
